Received By: _____ Date: _____

Approval By: _____ Date: _____

Disclosure: Please be advised that the Association is not responsible for any repair or maintenance of changes or additions made to the house. Owner is responsible for all repairs to such addition and/or change including but not limited to damages to the house structure caused by such addition and/or change. Be aware that when painting the exterior the homeowner is responsible to make sure the color matches the approved color swatch. If the color does not match the homeowner will be required to re-paint the house. **To ensure the colors match it is strongly advised to purchase a wet color sample and test on the house to make sure colors match.** The approved color chart will need to be used to purchase a wet sample as the manufacturer (Olympic) has discontinued these colors as an off the shelf product. After you have an approved ARB you may contact the board for an approval of the wet sample color before painting if you wish, but it is not required. No changes to the color schema are allowed.

Please be advised that you will need a City Permit for any Home Improvement.
(For *City Permit forms visit: http://www.deerfield-beach.com/DocumentCenter/
Building Services> Building/ Electrical/ Landscape/ Mechanical / Plumbing/ Windows & Doors Permit)
*You will also need 2 copies of the project approval & desciption of the project.
